

# Plant and Card Sale

**Wednesday 26 May 2021**

**A perfect time to stock up on plants for a glorious summer garden. All plants are home-grown and modestly priced.**

**Our cards are hand-made by our members and have colourful African designs: a joyful, individual way to send a message.**

**Please come and see us at any time between 10.30 – 15.00 in the driveway of 4 Tilehouse Road, Guildford GU4 8AL (Gerlinde and Robert's house).**

**Cash payments only, please.**

**All proceeds will go to the Grandmothers to Grandmothers Campaign which is part of the Stephen Lewis Foundation. The campaign supports the struggle of African grandmothers who have lost their own adult children to the AIDS epidemic and are now caring for their orphaned grandchildren. Today, these grandmothers face the additional challenges of Covid 19.**
